

BRITISH PULLMAN

BRITISH PULLMAN

These “palaces on wheels” will swiftly transport you back to the glamorous era of the golden age of travel, a time when the journey was as much a part of the experience as the destination. Once host to royalty, heads of state and politicians, the British Pullman today takes guests on day and weekend breaks to Britain’s finest historic cities and glittering social and sporting events.

THE CARRIAGES... Before forming the magnificent British Pullman train, its cars were part of the most famous services in Britain – the Bournemouth Belle, the Brighton Belle, the Queen of Scots and the Golden Arrow. Today, each carriage has been restored to the former glory of its 1930s heyday by the family marquetry business that made the original panels. Veneered panels show off exquisite, exotic art deco marquetry; art nouveau lamps shed soft light on polished brass, beveled glass and glowing mahogany fittings; velvet armchairs make for companionable, intimate dining. For an added special touch, some departures are hauled by a steam locomotive.

THE ROUTES... We offer a wide variety of day journeys throughout the year from London Victoria Station, as well as selected

regional departures throughout the south of England. We also have a tempting choice of weekend breaks, which allow you to combine a stylish trip on the British Pullman with a wonderful stay in a fine hotel.

THE ON-BOARD EXPERIENCE... The gleaming umber-and-cream carriages that await you will swiftly transport you back in time to a stylish era of elegance, decadence and luxury. In the care of your attentive steward, enjoy the silver service and sit back and relax in the convivial atmosphere as Britain’s glorious countryside unfolds outside your window.

DINING... Gourmet dining with the finest wines and British fare is a highlight of every journey. Each menu is lovingly created from the highest quality, freshest seasonal delicacies from around the British

Isles to form simple, classic dishes. Settle cosily among the art deco antelopes and swans into a velour armchair at your table, dressed with snowy-white linen, fresh flowers, embossed silver, and the finest porcelain and crystal, and savor course after course.

DRESS... This is an occasion when you are free to look fabulous: dressing down is just not our style. Smart-casual wear is the order of the day, but we request that no jeans or sneakers are worn. For Pullman dinner departures, more formal wear is customary. A jacket and a tie for men is required at sporting events.

BOUTIQUE... Choose a wonderful memento of your day on the British Pullman with a gift from our on-board boutique, which features a marvelous array of signature gifts.
